Report on the Financial Statements

We have audited the accompanying financial statements of United States Ski Team Foundation, Inc., which comprise the statements of financial position as of April 30, 2015 and 2014, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United States Ski Team Foundation, Inc. as of April 30, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Note 1 - Business Activity and Significant Accounting Policies**Organization**

The United States Ski Team Foundation, Inc., also known as the United States Ski and Snowboard Team Foundation, (the "Foundation") is a not-for-profit corporation organized to promote educational and charitable activities related to the sports of skiing and snowboarding. The Foundation conducts annual fundraising programs in three major areas. These programs include the major gifts program (which includes Olympic hospitality programs, the gold pass program, and other annual major gift programs), fundraising events, and direct solicitation programs. The funds raised from these annual programs are granted to United States Ski Team, Inc. (USST), a wholly owned subsidiary of the United States Ski and Snowboard Association (USSA). The funds are used by USST to support the training, development, coaching, and competition cost of athletes of the United States Ski and Snowboard Teams.

Cash and Cash Equivalents

The Foundation considers all cash and highly liquid financial instruments with original maturities of three months or less, and which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents. Cash and highly liquid financial instruments restricted to capital expenditures, permanent endowment, or other long-term purposes of the Foundation are excluded from this definition.

Receivables and Credit Policies

Accounts receivable consist primarily of noninterest-bearing amounts due to support the training, development, coaching, and competition costs of athletes of the United States Ski and Snowboard Teams. Management determines the allowance for uncollectible accounts receivable based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Accounts receivable are written off when deemed uncollectible. At April 30, 2015 and 2014, gross accounts receivable were \$929,737 and \$452,797, respectively. At April 30, 2015 and 2014, the allowance was \$21,136, respectively.

Contributions Receivable

Contributions receivable include \$2,760,000 and \$1,270,700 of pledge receivables for the Olympic Hospitality programs as of April 30, 2015 and 2014, respectively. Unconditional promises to give expected to be collected within one year are recorded at net realizable value. Management determines the allowance for uncollectible promises to give based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Promises to give are written off when deemed uncollectible. At April 30, 2015 and 2014, the allowance was \$0.

Property and Equipment

Property and equipment are stated at cost. The Foundation capitalizes all expenditures in excess of \$500 for property and equipment. Depreciation is sufficient to relate the cost of depreciable assets to operations over their estimated service lives. The straight-line method of depreciation is used for all assets for financial reporting purposes, over a useful life of 3 years.

The balances by class of assets are as follows:

	2015	2014
Furniture and equipment	\$ 68,208	\$ 57,881
Computers	107,748	107,748
Less accumulated depreciation	(166,892)	(164,441)
	<u>\$ 9,064</u>	<u>\$ 1,188</u>

Deferred Revenue

Deferred revenue consists of prepayments for programs to be held in a future year and contributions for which qualifying expenses have not yet been incurred. Deferred revenue at April 30, 2015 and 2014 is \$2,647,037 and \$635,425, which includes \$1,755,855 and \$400,000, respectively, of expenses accrued for the Olympic Hospitality programs that have not yet been incurred.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Unrestricted Net Assets – Net assets available for use in general operations. Unrestricted board-designated net assets consist of net assets designated by the Board of Directors for operating reserve.

Temporarily Restricted - Scholarships – Net assets subject to donor restrictions as scholarships for athletes. The recipients of the scholarships are determined annually by the scholarship committee of the Foundation.

Revenue Recognition

Contributions received as well as collectible unconditional promises to contribute are recognized in the period received or promised. Contributions with donor-imposed restrictions are reported as temporarily or permanently restricted revenues. Temporarily restricted net assets are reclassified to unrestricted net assets when the donor restrictions are satisfied.

Contributions of services are recognized only if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. In some instances, contributions from supporting committees are received net of fundraising expenses incurred and are recognized on a net basis. Restricted support received the same year that restrictions are fulfilled is reported as unrestricted net assets.

Income Taxes

The Foundation is organized as a Colorado nonprofit corporation and has been recognized by the Internal Revenue Service (IRS) as exempt from federal income taxes under Section 501(a) of the Internal Revenue Code as an organization described in Section 501(c)(3), qualify for the charitable contribution deduction under Section 170(b)(1)(A)(vi), and has been determined not to be a private foundation under Section 509(a)(1). The Foundation is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, the Foundation is subject to income tax on net income that is derived from business activities

that are unrelated to their exempt purposes. The Foundation has determined it is subject to unrelated business income tax but is not required to file an Exempt Organization Business Income Tax Return (Form 990-T), because the unrelated business income was less than the requirement for filing for the years ending April 30, 2015 and 2014.

The Foundation believes that it has appropriate support for any tax positions taken affecting its annual filing requirements, and as such, does not have any uncertain tax positions that are material to the financial statements. The Foundation would recognize future accrued interest and penalties related to unrecognized tax benefits and liabilities in income tax expense if such interest and penalties are incurred. The Foundation's Forms 990, 990-T and other income tax filings required by state, local, or non-U.S. tax authorities are no longer subject to tax examination for years before 2011.

Donated Services and Assets

Volunteers have donated services, facilities, and products to the Foundation's programs and fundraising efforts. Donated assets are recorded at their market value at the date of donation. A substantial number of volunteers have donated significant amounts of their time to assist in the operations or programs of the Foundation. However, most of these services do not require recognition in the financial statements. Those services requiring recognition in the financial statements are not material for the periods presented.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and those differences could be material.

Subsequent Events

Subsequent events have been evaluated through July 30, 2015, the date of issuance of these financial statements.

Note 2 - Contributions Receivable

Contributions receivable estimated to be collected as follows at April 30, 2015 and 2014:

	2015	2014
Within one year	\$ 1,080,000	\$ 468,200
In one to five years	1,680,000	802,500
	<u>\$ 2,760,000</u>	<u>\$ 1,270,700</u>

Note 3 - Related Party Transactions

Related parties considered herein include United States Skiing Foundation (USSF), USSA Investment Fund (USSAIF), Center of Excellence Properties Fund (COEPF), USSA and its subsidiaries, USSA Enterprises (Enterprises), and USST, and the officers or trustees of these entities.

The Foundation conducts annual fundraising programs to support the core athletic programs of the United States Ski and Snowboard Teams. The funds raised from these programs (net of expenses) are granted annually to USST. Accordingly, grants of \$7,087,165 and \$6,599,590 were awarded to USST during the years ended April 30, 2015 and 2014, respectively.

USSA incurs certain direct administrative and payroll expenses on behalf of the Foundation for which the Foundation reimburses USSA. In addition, the Foundation reimbursed USSA \$192,000 and \$185,000 during the years ended April 30, 2015 and 2014, respectively, for management and overhead expense. Accounts payable and receivable at April 30, 2015 and 2014 includes amounts due to (from) the following related parties, respectively:

	<u>2015</u>	<u>2014</u>
Due to USSA	\$ (439,202)	\$ (284,914)
Due from USST	626,934	-
	<u>\$ 187,732</u>	<u>\$ (284,914)</u>

USSAIF granted \$128,856 and \$118,387 of scholarship money to the Foundation during April 30, 2015 and 2014, respectively.

The Foundation is named as a guarantor of the \$7,000,000 line-of-credit to USSA. The outstanding balance on the line was \$6,072,523 and \$5,443,407 at April 30, 2015 and 2014, respectively. It is also named a guarantor on a \$20,370,000 letter-of-credit for tax exempt bonds of Center of Excellence Properties, LLC. The outstanding balance on the tax exempt bonds at April 30, 2015 and 2014 was \$18,695,000 and \$20,120,000, respectively. The bond was used to support the construction of the Center of Excellence training center and headquarters.

The Foundation purchased \$42,743 and \$75,283 of merchandise from a company licensed by USSA to supply and sell logo merchandise of USSA and its affiliates. The licensed company is owned by the brother-in-law of the Executive Vice President of the Foundation. The Executive Vice President's spouse is also employed by the licensed company. USSA selected this company as a licensee after reviewing competitive bids.

Note 4 - Fundraising Programs

The Foundation conducts a variety of fundraising programs and activities in three major areas. Fundraising events include fundraising dinners, receptions, and other similar events conducted across the country. The major gift programs include several donation levels ranging from \$1,000 to \$100,000 or more annually. Each donation level receives a proportionate level of benefits and recognition. The major gift programs include the Olympic hospitality programs where a significant incremental donation is made in addition to the donor's annual giving. This additional gift supports the training needs of the teams during each quadrennial as the teams prepare for the Olympics. The major gift programs also include the gold pass gift program, which provides each donor with a transferable season ski pass accepted at more than 200 ski resorts across the country provided through the support of the National Ski Areas Association and participating ski resorts. The direct solicitation programs consist of direct mail, telemarketing, and other programs to solicit donations on a broad basis. Certain costs and expenses are incurred to conduct each of the programs and activities, such as the cost of a dinner or reception.

The following summarizes the gross revenue and the costs and expenses to conduct these fundraising programs and activities for the years ended April 30, 2015 and 2014:

	<u>Gross revenue</u>	<u>Costs and expenses</u>	<u>Net revenue</u>
2015

	<u>\$ 11,331,487</u>	<u>\$ (3,789,441)</u>	<u>\$ 7,542,046</u>

Note 5 - Concentration of Credit Risk

The Foundation primarily maintains its cash and cash equivalent balances at Wells Fargo Bank (Wells Fargo), a financial institution and Charles Schwab & Co. (Schwab), a discount brokerage firm. A former executive officer of Wells Fargo is a member of the Board of Trustees of the Foundation. The following balances summarize total cash and cash equivalents in financial institutions as of April 30, 2015 and 2014:

	<u>2015</u>	<u>2014</u>
Wells Fargo	\$ 893,984	\$ 1,119,765
Schwab	320,081	415,012
Other financial institutions	4,291	8,508
	<u>\$ 1,218,356</u>	<u>\$ 1,543,285</u>

The Foundation's cash and cash equivalents held with Schwab are fully insured (as to security positions owned, but not as to fluctuations in market value). Cash and cash equivalent accounts with financial institutions are insured by Federal Deposit Insurance Corporation up to \$250,000 per institution at April 30, 2015 and 2014. Uninsured cash and cash equivalent balances aggregate \$643,984 and \$869,765 at April 30, 2015 and 2014, respectively.
